Mazal tov to all of this year's distinguished
Honorees!

What a pleasure and honor it is to support the Yeshiva in its vital work of spreading Torah –
the “channel” through which flows “the love we feel in and for God”
(from Chief Rabbi Lord Sacks’ commentary to the siddur)

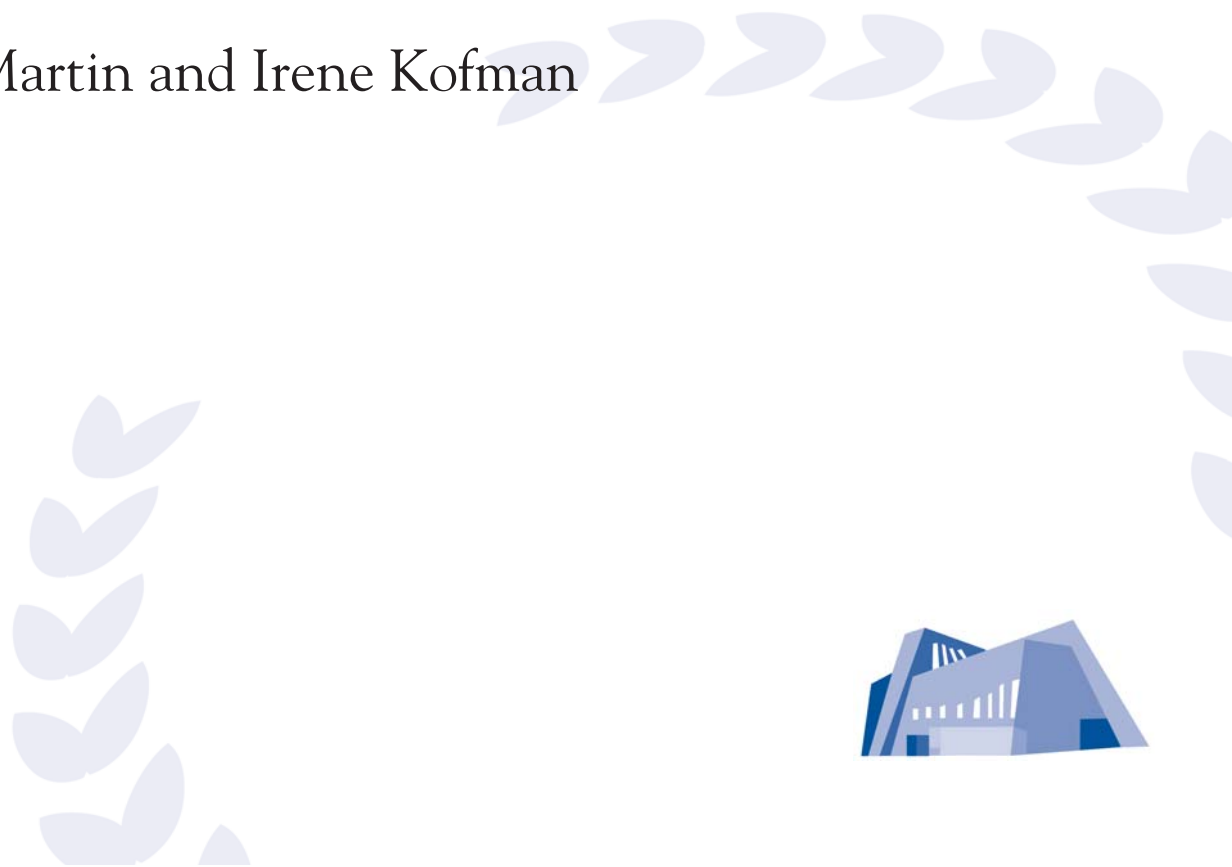

With much gratitude, and with our best wishes for continued success to the Yeshiva
and its wonderful leadership and students,

Mazel Tov to all the honorees on this well deserved honor.

David –

thank you for all you have done for the Etzion Foundation.

Seth and Leba –

we miss you in Bergenfield. You are a great example for us all to follow.
Since this is a Yeshiva event, I wonder if Seth will be eating with the rest of us??
